Mr. and Mrs. K. J. R.
123 Main Street
Durham, NC 27701

Dear Mr. and Mrs. R:

On behalf of Duke University, it is my pleasure to provide you with the attached report concerning the status of the *Anonymous Alumni Scholarship Endowment Fund*.

Duke University's mission is deeply influenced by James B. Duke's founding indenture directed to the original members of the University. Duke challenged these leaders to select students of "character, determination, and application." Today, the scholarship support made available by endowments enables Duke to attract and select students who exemplify these traits, regardless of their financial need. The diversity of Duke's student body enriches the experiences of all students and fosters an inspiring learning environment.

As you join your student in this segment of his journey through life, we want to thank you for your gifts, time, and effort that have made this possible.

With best regards,

Monika Winchester
Stewardship Coordinator
