

Endowment Fund

Anonymous Alumni Scholarship Endowment Fund

Activity Report Date
7/1/01 - 6/30/02

Endowment Summary

This endowment was established in 2000 in response to The Duke Endowment challenge. Income is used to provide scholarship support for undergraduate students in Trinity College who are from either North Carolina or South Carolina at the time of enrollment. Awards are made in accordance with University guidelines then in effect.

Endowment Management

Duke Management Company (DUMAC), a separate, non-profit support corporation of Duke University, manages the University's investment assets. For fiscal year ending June 30, 2002, the Long Term Pool (LTP) returned (3.8) percent. Over a three year period, the pool has an average return of 13.4 percent.

Further information about DUMAC is available upon request or at <http://www.dumac.duke.edu/>.
