

# UNIVERSITY OF HARTFORD

Thank you for your generosity in supporting the University of Hartford.

With your support, we are able to sustain our success as a private university with a public purpose and develop programs that provide our students with the foundation for both professional and personal growth. Whether they concentrate in the arts, business, communication, education, engineering and technology, the health professions, or the liberal arts, University of Hartford students are both nurtured and challenged. Nationally recognized curricula and leading-edge programs and faculty shape the educational experience of our students and prepare them for the opportunities they will face beyond the campus.

Gifts such as yours make their success possible. Thank you.

Sincerely,

*Christine E. Adams*
