Undergraduate Alumni Giving: Please enter information on undergraduate alumni giving, as defined below.

As noted, *exclude* former students who earned only graduate degrees and undergraduates who didn't graduate from your institution. Additionally, exclude all student giving (e.g., senior class gift) unless you count the entire senior student body in the alumni of record total.

Please follow the standards set by the Council for Aid to Education (CAE) and the Council for Advancement and Support of Education (CASE), and used for reporting to CAE for the Voluntary Support of Education Survey when answering these questions.

What was the number of undergraduate alumni of record at your institution? *(Alumni donors are alumni with undergraduate degrees from your institution who made one or more tax-deductible gifts from either themselves or their legal spouse/partner for either current operations or capital expenses during the specified fiscal year.) Exclude all soft-credit only contributions – only report on IRS reportable gifts.*

Note: The alumni giving data reported to U.S. News should be the same as what was reported to the Council for Aid to Education for undergraduate alumni in its annual Voluntary Support of Education Survey. If you do not break down undergraduate-only giving for the CAE survey, you must still do so for this report.
